Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

1. I, Simon Robert Smith, citizen of England, residing at 33 Uppleby, Easingwold, York, YO61, 3BD, am a co-inventor of the invention contained in United States Patent Application No. 09/919,193 filed in the United States Patent Office on 08/01/2001 entitled "Method And System For Information Development And Access". I conceived or invented the subject matter disclosed in the patent and relied on in the outstanding Patent Office Action:
2. I am also a co-inventor of the invention contained in United States Patent No. 7,171,647 entitled "Method For Constructing A Process-Driven System" issued on 30 January 2007;

3. I am employed by The Salamander Organisation, Ltd, residing at The Innovation Centre, University Road, York YO10 5DG, United Kingdom, owner by Assignment of both United States Patent No. 7,171,647 issued January 30, 2007 entitled "Method For Constructing A Process-Driven System" and of United States Patent Application No. 09/919,193 entitled "Method And System for Information Development & Access". The issued U.S. Patent 7,171,647 was commonly owned at the time of the invention set forth in the pending U.S. Patent Application No. 09/919,193; and
4. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issued thereon.

SIMON ROBERT SMITH

Date: 15/04/2008
